Landscape Seating Designed by Fletcher Vaughan ©

RE-RELEASED VERSION 2013

Originally released in 2004, the Landscape modular design has evolved over the years, the re-released version merges the linear and arc Landscape modules into one range to provide more flexibility and functionality. The range now consists of linear and arc 90 & 60 degree segments, these modules can be grouped to create seating plans or used individual in a more traditional setting.

Landscape is designed and constructed to withstand the rigors of all commercial environments.

NOTE:

- Available with a seat height of 400mm for casual setting or 450mm for public seating.
- A rubber foot options is available for hard floors.
- The configuration locking system is recommended for grouped seating.
- Fabric with stretch and memory is required for this design.

Fabric Recommendations:

Vivid – Feel & Sense
Textilia – Blazer, Chass & Hemp
Warwick – Cumulus & Amatheon

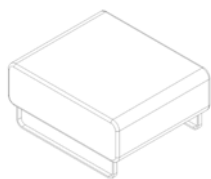

Due to the nature of upholstery measurements may vary marginally.
CAD file available on request.
