

Portrait Modular Seating Designed by Fletcher Vaughan ©

Originally designed for the Tokyo Designers Block Exhibition 2002.

The design consists of two modules A (left) & B (right), these modules can be utilised individually or grouped together to create numerous seating solutions. Made with sturdy pine frame and high quality flame retardant foams. Suitable for high traffic environments such as malls, airports, universities, foyers, receptions and office environments.

NOTE: Fabric with stretch and memory is required for this design.

Fabric Recommendations:

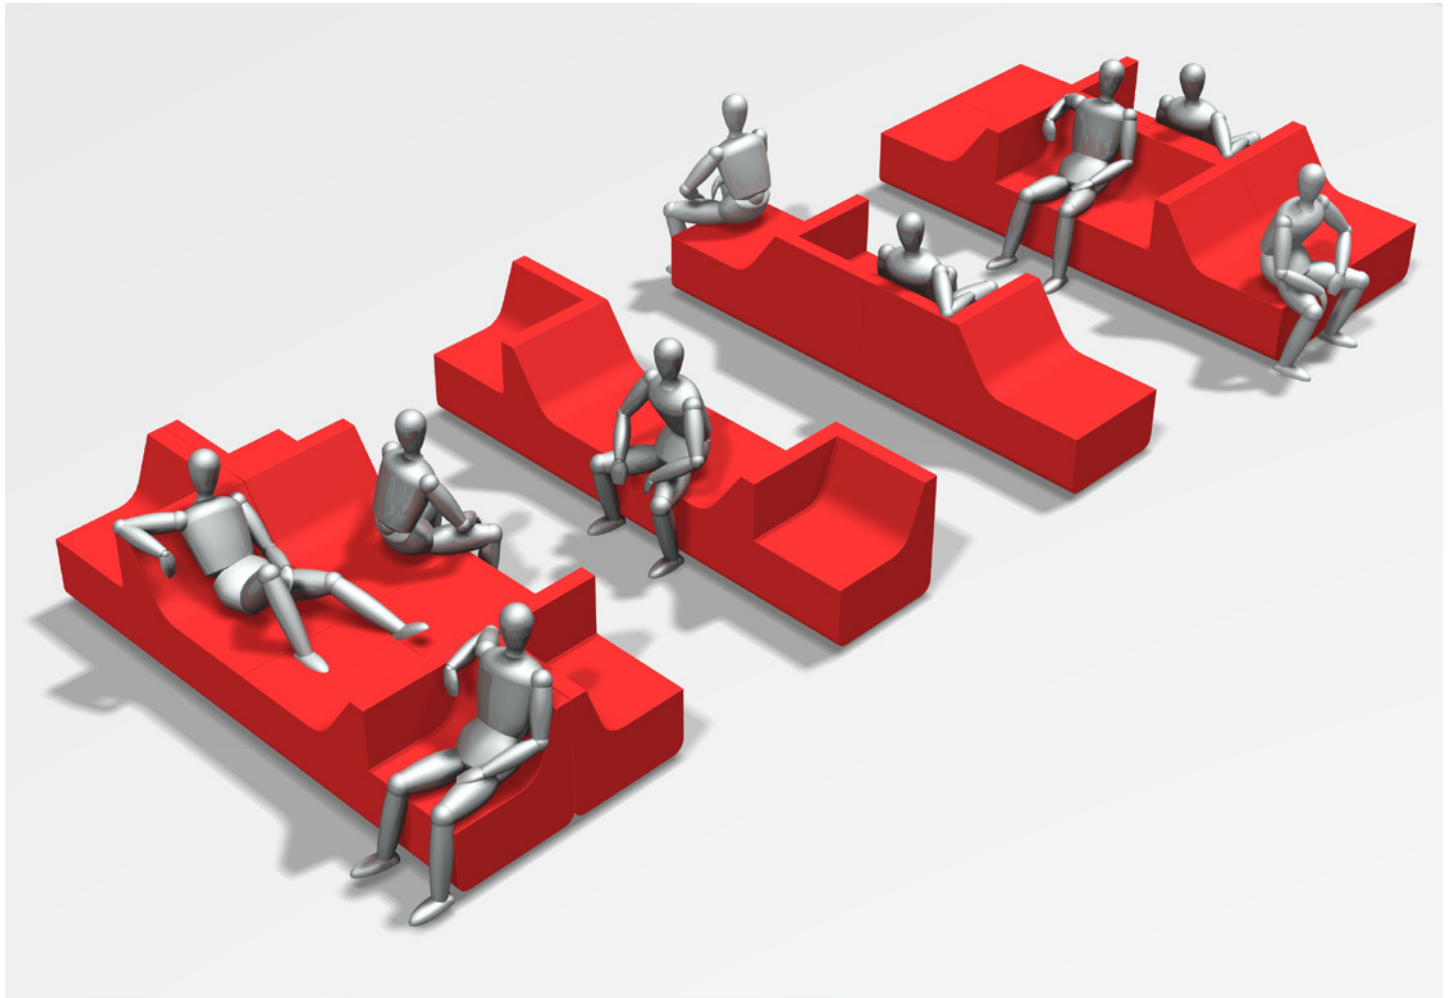

Vivid – Feel & Sense
Textilia – Blaze, Chass & Hemp
Warwick – Cumulus & Amatheon

Due to the nature of upholstery measurements may vary marginally.
CAD file available on request.
